INTERNATIONAL CONFERENCE

INTERFACES

REPRESENTING HUMAN AND ENVIRONMENTAL VULNERABILITY IN THE 4TH INDUSTRIAL REVOLUTION

SENDING YOUR PRESENTATION

As your presentation will be too heavy to be sent by email, we recommend sending it using WeTransfer (<u>https://wetransfer.com</u>) because it is a free service, easy to use and very reliable.

- 1. Go to the web page wetransfer
- 2. Although it will offer you to create an free account for free or to subscribe to a payment service, it is not necessary to do any of these, as it is enough to choose "I just want to send a file".

3. Fill in all the information it requests. Do not forget that your file needs to be sent to the email *interfaces.rep@gmail.com*

4. Click on "Upload Files" and choose the file in our equipment on the pop-up window that appears. Then, you will receive a code on the email that you have to write on the pop-up window where indicated (the code might take a few minutes).

5. The file will start to be uploaded and, after a little while, you will receive a message indicating that everything is correct and that the file has been sent.

6. The Conference will receive your presentation by means of a web link that the organizing committee members will download and check as soon as possible.
